

Fluke 365 Detachable Jaw True-rms AC/DC Clamp Meter

The **Fluke 365** is a rugged meter perfect for jobs where access to wires is difficult. The 365's thin, small jaw is detachable with a flexible lead, which makes gaining access to wires and viewing the display easier than ever.

Fluke 365 Features:

- 200 A ac and dc current measurement with fixed Jaw
- 600 V ac and dc voltage measurement
- True-rms ac voltage and current for accurate measurements on non-linear signals
- 6000 Ω resistance measurement to with continuity detection
- Detachable jaw makes accessing wires and viewing the display easier
- Built in flashlight/torch allows for easy illumination and identification of wires
- CAT III 600V safety rating
- Compact design fits in your hand and can be used while wearing personal protective equipment
- State of the art signal processing allows for use in noisy electrical environments while providing stable readings
- Large, easy to read, backlight display automatically sets the correct measurement range so you do not need to change switch positions while taking a measurement
- Three year warranty
- Soft case

What's Included:

- Coated instruction card
- Safety information sheet
- Soft carrying case
- [TL75](#) test leads
- Five AA Alkaline batteries
